Engineers and Conductors assigned to Extra Boards

If employee “A” is first out and not qualified for a specific run or job and they are bypassed for employee “B”, both are entitled to claims.

Employee “A” is entitled to a RUN-AROUND claim.

Engineers cite Article 5 section 1 (Runaround) and Article 24 section 3 (First-in, First-out)

Conductors mention Article 11 section 5

Employee “B” is entitled to a NOT CALLED IN ORDER claim.

Engineers cite Article Article 24 section 3

Conductors mention Article 28 section 1

- Employees who are not qualified on a job or run are supposed to be called for the open assignment and given a pilot.
- Compensation for qualifying is to be determined by your Local Chairman and Division Superintendent.
 - Employees qualifying to Buffalo will be compensated for qualifying.
 - Employees that have let qualifications expire will be evaluated case by case.
